SETTINGS & FUNCTIONS					
Setting	Frequency	Coverage (area)	Distance	Sequence	LED
A	Barking Dog	Approx 30-50 metres	30-50 m		Blue On
B	Hawk	Approx 30-50 metres	30-50 m		Blue On
C	Starling	Approx 30-50 metres	30-50 m		Blue On
D	All 3 sounds	Approx 30-50 metres	30-50 m		
Note: Red LED comes ON to indicate that power is connected and working properly					
Blue LED comes ON when sound is being emitted. Light acts as additional deterrent					

GENERAL NOTES - SALES TIPS ETC

This is the only bird repeller to combine the sounds of a barking dog, a predator (hawk) and a distress call (starling). Works either by motion sensor (range 12-15 metres) or timer with 2 options (approx. 5 min / 10 min). Adjustable volume and built-in light sensor to automatically switch sound off in hours of darkness. Birds can quickly become accustomed to sounds, so regular swapping settings increases chances of success. Easy to install, with ground mounting kit and wall mounting kit, allowing product to be set at any angle, left or right. Optional solar power kit allows use in any location.

EC DECLARATION OF CONFORMITY

INTRODUCTION

The CE mark may only be shown on this product if it has a valid Declaration of Conformity with EC electrical directives, and if they comply with the Directive on the use of hazardous substances (RoHS Directive).

A Declaration of Conformity is only valid if:-

- A) It is signed by the manufacturer, if the manufacturer is located within the EC, or
- B) It is signed by an authorised representative of the manufacturer, who must be an EC resident
(This means that a so-called Declaration of Conformity provided by a manufacturer outside the EC is invalid)
- C) The name and address of the person signing the declaration must be given
- D) The name and address of the independent Notified Body which has given a positive statement of opinion must be given
- E) If the product is owned by a company, the company must be identified and the logo of the company, or brand logo of the product must be shown on the Declaration.

In the absence of a valid Declaration of Conformity, all responsibility for product safety rests with the person selling the product. Non-compliance with the above is an offence punishable by imprisonment.

We, the undersigned,

Manufacturer	Not released. Available for inspection by authorised bodies
Address	Not released. Available for inspection by authorised bodies
Country	Not released. Available for inspection by authorised bodies
Phone Number	Not released. Available for inspection by authorised bodies
Authorised Rep.	Liam Gavin, Brighter Image Ltd, South Shore Road, Rush, Co. Dublin, Ireland

certify and declare under our sole responsibility, that the following apparatus

Description	Not released. Available for inspection by authorised bodies			
Manufacturer	Not released. Available for inspection by authorised bodies			
Brand(s)	PestClear			
Identification Mark(s)	PRBIRDSON			

Conforms with the following EC Council Directives. This declaration is only valid when used in conjunction with the relevant technical files and to the specific tests carried out. The certificate applies to the tested sample(s) only and shall not imply an assessment of the whole production. It is valid only in connection with the test report / statement of opinion number shown here.
